

New Product Release

Balcrank ratio oil Pumps (distributed by Macnaught)

To compliment the premium quality range of Macnaught ratio oil pumps already available, we have now introduced 3 additional heavy duty ratio oil pumps manufactured by Balcrank.

Balcrank ratio oil pumps are designed for maximum performance and reliability and are ideal for use in large workshops and installations. They are suited for heavy industries such as mining, industrial and earthmoving where high pressure or high flow is required.

The pumps deliver high flow oil transfer of distances up to 203m (6:1 and 5:1) and 305m (10:1) respectively. Balcrank pumps have a full 12 months warranty, with overhaul seal kits readily available.

Model B-1130-26 tiger 6:1 - 075 l/min (free flow).

Typically can dispense up to 6 points simultaneously

Model B-1130-027 lion 5:1 - 102 l/min (free flow)

Typically can dispense up to 10 points simultaneously

Model B-1130-024 lion 10:1 - 61 l/min (free flow)

Typically can dispense up to 10 points simultaneously
