

POWERED Metal Hose Reels: A Wide New Range To Suit Your Needs

Macnaught has just released a range of powered heavy duty metal reels.

Assembled and tested right here in Australia, Macnaught has additional flexibility to provide heavy duty reels to suit specific customer needs, all produced much faster than ever before. Customers have the option of their reels being supplied with pneumatic, hydraulic or 24 Volt electric power.

As with all Macnaught metal hose reels, they also come with a five year warranty.

Type	Hose ID Option	Hose Length	Power Source Option	Working Pressure	Item Code (prefix)
Air/Water	25mm (1") / 38mm (1½")	20m	24V DC / Pneumatic / Hydraulic	6890 kPa (1000 psi) / 8615 kPa (1250 psi)	MATP2520/MATP3820
Supplied Without Hose	N/A	N/A	24V DC / Pneumatic / Hydraulic	8615 kPa (1250 psi)	MOTP3820N
Oil Diesel	25mm (1") / 38mm (1½")	20m	24V DC / Pneumatic / Hydraulic	6890 kPa (1000 psi) / 8615 kPa (1250 psi)	MOTP2520/MOTP3820
Weedicide/Pesticide	10mm	50m	24V DC	3500 kPa (500 psi)	WPTP1050
